***A Song Below Water* by Bethany C. Morrow**

"Tavia is already at odds with the world, forced to keep her siren identity under wraps in a society that wants to keep her kind under lock and key. Nevermind she's also stuck in Portland, Oregon, a city with only a handful of black folk and even fewer of those with magical powers.

At least she has her bestie Effie by her side as they tackle high school drama, family secrets, and unrequited crushes. But everything changes in the aftermath of a siren murder trial that rocks the nation; the girls' favorite Internet fashion icon reveals she's also a siren, and the news rips through their community. Tensions escalate when Effie starts being haunted by demons from her past, and Tavia accidentally lets out her magical voice during a police stop. No secret seems safe anymore—soon Portland won't be either." (Goodreads)

***Odessa* by Johnathan Hill**

"Three siblings search for their missing mother across a ruined America in this original graphic novel perfect for fans of Scott Westerfeld and Neal Shusterman. Eight years ago an earthquake—the Big One—hit along the Cascadia fault line, toppling cities and changing landscapes all up

and down the west coast of the United States. Life as we know it changed forever. But for Vietnamese-American Virginia Crane, life changed shortly after the earthquake, when her mother left and never came back. Ginny has gotten used to a life without her mother, helping her father take care of her two younger brothers, Wes and Harry. But when a mysterious package arrives for her eighteenth birthday, her life is shaken up yet again. For the first time, Ginny wants something more than to survive. And it might be a selfish desire, but she's determined to find out what happened to her mother—even if it means leaving her family behind." (Goodreads)

***Sadie* by Courtney Summers**

"A missing girl on a journey of revenge. A Serial—like podcast following the clues she's left behind. And an ending you won't be able to stop talking about. Sadie hasn't had an easy life. Growing up on her own, she's been raising her sister Mattie in an isolated small town, trying her best to

provide a normal life and keep their heads above water. But when Mattie is found dead, Sadie's entire world crumbles. After a somewhat botched police investigation, Sadie is determined to bring her sister's killer to justice and hits the road following a few meager clues to find him. When West McCray—a radio personality working on a segment about small, forgotten towns in America—overhears Sadie's story at a local gas station, he becomes obsessed with finding the missing girl. He starts his own podcast as he tracks Sadie's journey, trying to figure out what happened, hoping to find her before it's too late." (Goodreads)
